Steering B Committee Meeting
Date: 8/06/2018
Time: 5:30pm
Location: White County Courthouse

The White County Steering Committee B met on Monday, August 6, 2018, at the White County Courthouse. Members present were Matt McBride, Cain Rogers, Karen LaFever, Bruce Null, and Bruce Frasier. Also present were Rima Austin, Joe Dougherty, TK Austin, Al Klee, Andy Haston, Russell Gooch, Dale Bennett, Stanley Neal, Gaylen Barlow and Chad Marcum. Absent was Mack Johnson and Harold England.

There being a quorum present, the meeting was called to order by Chairman McBride and prayer was led by Chad Marcum.

Mr. McBride asked for approval of the minutes from the previous meeting. Cain Rogers made a motion and Bruce Frasier seconded the motion to approve the minutes as presented. The motion was approved.

Surplus and Transfer Firetruck to North End Fire Dept.
Finance Director Chad Marcum discussed with the committee the need to surplus a 1980 Ford Firetruck that the county owns and donate it to North End Fire Department. After a brief discussion, Commissioner LaFever made a motion and Commissioner Null seconded the motion to send to full court the surplus and donation of the 1980 Ford Firetruck to North End Fire Department. All members voted in favor, motion passed.

Mr. McBride asked the committee for any old business:
Commissioner Rogers ask Director Marcum for an update on the ambulance that was recently involved in a wreck, specifically how long it would take to replace the wrecked ambulance. Mr. Marcum stated that it would probably take at least a year before our new ambulance was ordered, custom built and placed into service. Our insurance company is still conducting their investigation regarding the actual vehicle itself as well as the contents and supplies contained in the ambulance. Mr. Marcum informed the committee that the insurance company has totaled the vehicle. He also noted that this particular vehicle was not one of our newer trucks and was in line to be replaced.

Mr. McBride asked the committee for any new business:
Chairman McBride informed the committee that the Executive's Office has received complaints regarding an upcoming memorial concert on Milligan Rd. scheduled for August 25th and will take place on private property. Mr. McBride reminded the committee that the county has no zoning and/or codes to regulate such an event.

Mr. Joe Dougherty who lives on Norstar Rd. in the Key Acres subdivision was present to discuss a newly established junk yard in his neighborhood. Mr. Dougherty states his neighbor moved into the subdivision approximately 8 months ago and has been bringing in junk by the trailer loads. Approximately one month ago, the neighbor brought in a trailer of unusable four wheelers. Mr. Dougherty further states that there are old tractors, bull dozers, trucks and cars on the property that are not registered. He went on to say that the vehicles have been placed right up to the road. Mr. Dougherty states that he has called the Environmental protection agency to no avail. Mr. Dougherty states according to his deed, the subdivision regulations state that residents are prohibited from having a bone yard, junk yard, landfill or a business. Chairman McBride explained to Mr. Dougherty that for the past 8 years, property maintenance has been a huge issue in White County and the County Executive's office receives numerous complaints regarding such. Mr. McBride went on to explain that it will take property maintenance codes for the County Court as a governing body to regulate these issues. He went on to explain that he has tried for several years to establish property maintenance codes, brought several examples of what has been adopted from surrounding counties however he has not been successful and that is not a direction that the current county court has moved in. Mr. McBride stated that since the vehicles are located in the county right-of-way that maybe something could be done regarding that situation. Mr. Dougherty states that he has called Clay Parker but has not received a return call. Mr. McBride stated that unfortunately, this was a civil matter and would probably have to be handle as such. Mr. Dougherty informed the committee he also has a burned structure next door to him that has been there for five years. Mr. Dougherty explained that he had a concern for his property value and encouraged the commissioners to drive past his house. There was continued general discussion however no action was taken.

The date and time of the next meeting was discussed due to the Labor Day Holiday, however it was the consensus of the committee to not schedule the next meeting at this time.

There being no further business, Karen LaFever made a motion and Bruce Null seconded the motion to adjourn. The motion was approved.

Insert: "Commissioner Klee asked about the status of building a transfer station. County Executive Robinson responded that during the June Solid Waste Committee that you (Commissioner Klee) was not able to attend, the committee indicated that they did not want a transfer station built. Commissioner Klee asked that the record reflect that during the May meeting the committee voted to construct a transfer station and that the June meeting minutes do not show any discussion about the transfer station."

Following Mr. Klee's motion, County Executive Robinson reminded the committee there was a motion to amend the minutes on the table and it would need a second, then a vote. Mr. Frasier seconded the motion. Mr. Cain Rogers and Mr. Matt McBride ask to see the suggested amendment. Mr. Cain Rogers requested a copy of the May minutes. Mr. Rogers ask for clarification as to what minutes Mr. Klee wanted to change. Mr. Klee stated that he would like to amend the draft July minutes as June's minutes have already been approved. Mr. Robinson reminded the committee that the minutes are not approved and they are not official minutes, they are just a report.

Directors Report:
Director Gaylen Barlow updated the committee on the vertical expansion. He explained that all paperwork should be finished by the first of September. Mr. Barlow also updated the committee on a recent fire at the landfill. He states that while he was out of town two weeks ago, one of the compactors' fuel line burst, caught on fire and totaled the compactor. Mr. Barlow did state no one was hurt in the incident. He states that insurance will reimburse the county for almost what the county paid for the compactor. Mr. Barlow informed the committee that he has been looking for a replacement compactor and has found a used compactor in Summerville, SC. The compactor is a 2004 Al-Jon, 455hp with a John Deer engine that has 8700 hours. It has been priced at $48,500.00 which includes shipping. The committee discussed the pros and cons of buying new, used and remanded. Director Barlow stressed to the committee that he is trying to stay within his budget. The County paid $40,000.00 for the compactor that we just lost and the insurance will reimburse us $38,000.00. The machine he found is within our budget. A new compactor will cost over $800,000.00 and a remanded compactor will cost over $400,000.00. Mr. Robinson stated that we were in the process of obtaining an appraisal. Al Klee made a motion for County Executive Robinson to obtain an appraisal and review it and if he so chooses to send Mr. Barlow to look at the compactor for a final check before purchasing. Matt McBride seconded the motion. On a voice call vote, all members voted in favor. Motion approved.

Engineer's Report:
County Executive Robinson reported to the committee that everything was going as scheduled with the vertical expansion. We are currently in the evaluation phase. Mr. Frasier ask Mr. Robinson how much life was left in the cell. Mr. Robinson stated the estimation to include the expansion is 3 years. Mr. Klee ask Mr. Robinson if we were going to be able to get a cell permitted and get it started. Mr. Robinson stated yes. Mr. Frasier reminded the committee that he wanted to go ahead and start charging more on the user fee now to build the new cell and not wait. Mr. Frasier states he is concerned about rising cost. Mr. McBride explained to Mr. Frasier that he was not against pre-planning but no one could give him a solid figure regarding the cost to close our current cell and open a new cell. Mr. McBride further stated that he did in fact take Mr. Frasier's request to the Financial Management Committee and the committee's response was that they would need more information regarding cost before raising the user fee. Mr. Null reminded the committee that this was a lame duck court and they did not need to make these type of decisions in front of the new court. The committee discussed further previous discussions held in the past regarding this particular situation and the need to have committee work sessions. No action was taken on raising the user fee at this time.

Chairman asked the committee for any old business:
Chairman Frasier ask for an update on the timber. Mr. Robinson has not received any bids on the timber.

Chairman asked the committee for any new business:
There was none.

There being no further business, Matt McBride made a motion and Al Klee seconded the motion to adjourn. The motion was approved.
