Addendum No. 1

May 7, 2015

Project: North Spring Street Educational Facility Roof Installation

From: Chad S. Marcum, Director
White County Department of Finance
1 East Bockman Way, Room 204
Sparta, Tennessee 38583
Phone: (931) 836-3216
Email: chad.marcum@whitecountyttn.gov

To: Prospective Bidders

This addendum modifies the original bidding documents dated April 20, 2015, as noted below. Acknowledge receipt of this addendum in the space provided on the Bid Form. Failure to do so may subject the bidder to disqualification.

This addendum consists of 2 pages and 1 attachment pages totaling 3 pages.

Changes to Specifications:

1. The following brands will be accepted for the .060 TPO roof system:
 - a. Firestone
 - b. CarlisleNo other brands will be accepted as a substitute for this project.
2. To be included in the base bid price is the replacement of all coping.
3. Existing gutters should be repaired as needed. This may include the sealing of joints as appropriate.
4. Existing hood vents and other penetrations not in use should be capped and sealed as appropriate. Equipment removed from the roof should be set off of the building for pick up by White County.
5. Bidders must supply a firm number of days required to complete the job from receipt of the notice to proceed. By submitting a bid, the awarded bidder agrees to and understands that White County reserves the right to assess damages in the amount of \$1,000 per calendar day for each day past the number supplied.

Clarifications:

6. At the pre-bid meeting held at the site on Monday, May 4, 2015 it was determined to be in the best interest of the county for unit pricing to be provided by the prospective bidders upon submission of their bid documents. The unit pricing will be used only when it is determined that new insulation, nailers, or walk pads are required for proper installation of the new roof. Please take note of the new Bid Form (Attachment 1) and use this form when submitting your bid to White County. Failure to provide the requested unit pricing on the attached bid form may subject the bidder to disqualification.
7. At the pre-bid meeting held at the site on Monday, May 4, 2015 it was determined that the existing insulation is 2” thick.
