To: Officials and Dept. Heads
From: Denny Wayne Robinson County Executive
cc: County Commissioners
Date: March 22, 2020
Re: COVID-19 and County Building

Beginning Monday March 23, 2020 all county buildings will become limited access. This means employees will come to work but the doors will be locked to the public. Visitors will be allowed in by appointment only. Contact numbers should be placed in a visible location at all entrances for the public to be able to call and ask questions or schedule a time to meet. When scheduling visitors please keep in mind the six foot rule. Do not let too many people in at one time. If you have an "at risk" or "high risk" person in your department and you are concerned about their safety please reach out to Chad or me and we will walk through that process. Please be advised information on this virus changes daily and our response may change also.
