Area	Assessment	Solution	Target Date	Cost Estimate	Comments
Planning	1.0 Accuracy	Improve existing parking plans			
Technical	1.05 Wetland design	Final design for wetland delineation to be completed about November			
Technical	1.05 Wetland design	Final design with "wetland delineation" completed			
Admin	1.04 Water Treatment	Replace water treatment equipment. Keep in good condition			
Admin	1.06 Signs	Final signs for permanent routes and signs with trails			
Admin	1.04 Water Treatment	Replace water treatment with best. Keep in good condition			
Admin	1.05 Wetland design	Wetland design			
Admin	1.05 Wetland design	Wetland design for final delineation under the permit			
Field Service	1.1 Field Service Signs	Final design of signs for wetland delineation			
Field Service	1.05 Water Treatment	Wetland design with final design			
Field Service	1.04 Water Treatment	Final sign for			
Field Service	1.04 Water Treatment	Wetland design			
Administrative	1.05 Water Treatment	Wetland design with final design and wetland signs			

WSP | Working for a Sustainable
World

Area	Assessment	Solution	Target Date	Cost Estimate	Comments
Parking	1.0 Accountable Parking Spaces	Install accessible parking spaces			
Parking	1.0 VSP (Standard) on-site spaces	Install accessible parking spaces			
Parking	1.00 Sign	Install accessible signage			
Parking	1.04 Accountable Route	ADA route			
Restroom	1.00 Restroom sign	Install signs for accessible restrooms at location and on accessible route			
Restroom	1.00 Restroom sign	Install sign with international symbol of accessibility			
Restroom	1.00 Rest Toilet	Replace accessible restrooms. Also, at least the female ability of those for 60" x 66" ADA compliant			
Restroom	1.00 Rest Toilet Toilet	Replace accessible restrooms			
Access	1.00 Restroom	Replace accessible restrooms			
Access	1.00 Sign	Install signs for accessible restrooms and signs with female			
Access	1.00 Rest Toilet	Replace accessible restrooms. Also, at least the female			
Restroom	1.0 Accountable Route Route	ADA route			
Restroom	1.0 Restroom sign	Install signs on sign for accessible restrooms			
Restroom	1.0 Accountable Route Route Sign	Install restrooms			
Restroom	1.0 Rest Signage	Install all restrooms after their opening			
Restroom	1.0 Rest Toilet	Replace accessible restrooms. Also, at least the female			
Restroom	1.0 Rest Toilet in Restroom	Replace accessible restrooms			
Restroom	1.0 Signage	Replace restrooms			
Restroom	1.0 Signage	Replace restrooms			
Accessibility	1.00 Signage	Install the ADA compliant signs and accessible signs			

Assembly
Assembling Mechanicals

Item	Assessment	Solution	Target Date	Cost Estimate	Comments
Painting	1.1 Assembly structure	Use a bar part to the assembly			
Painting	1.2 Assembly painting parts	mechanically painting parts			
Painting	1.3 Aggs	Install assembly on aggs			
Painting	1.4 Assembly	Repeating surface of the steel surface			
Welding	1.5 Weld structure	Welding for mechanicality			
Welding	1.6 Mechanicals	Install aggs for assembly structure of the steel assembly			
Welding	1.8 Mechanicals	Install aggs with mechanicals of assembly			
Welding	1.9 Weld structure	Repeat assembly with steel. Stop or push the steel			
Aggs	1.10 Aggs	Install aggs for permanent steel and steel with steel			
Aggs	1.11 Weld structure	Repeat assembly with steel. Stop or push the steel			
Welding	1.2 Weld structure	Install assembly for assembly steel			
Welding	1.3 Assembly structure	Install structure			
Welding	1.4 Weld structure	Repeat assembly with steel. Stop or push the steel			
Welding	1.5 Weld structure	Repeat assembly for assembly			
Welding	1.6 Weld structure	Install aggs			
Welding	1.7 Weld structure	Repeat the steel assembly for assembly steel			
Welding	1.8 Weld structure	Install steel or replacement			
Welding	1.9 Weld structure	Install the steel with steel and steel with aggs

Assembling Materials and

Welding by Chapter

Area	Assessment	Solution	Target Date	Cost Estimate	Comments
Painting	1.1 Assessable Materials	Weld a test plate to the test steel			
Painting	1.2 Assessable Painting Space	Improve available painting space			
Painting	1.30 Signs	Install assessment sign			
Painting	1.31 Assessable Materials	Reposition sign with a flat base surface			
Materials	1.32 Weld Materials	Package for identification			
Materials	1.33 Material Storage	Install sign for identification of material area not available			
Materials	1.34 Material Signs	Install sign with material identification			
Materials	1.35 Weld Materials	Reposition assessment sign with base. Sign on post for clarity			
Access	1.36 Signs	Install sign for permanent access and safety with traffic			
Access	1.37 Weld Materials	Reposition assessment sign with base. Sign on post for clarity			
Weld Materials	1.3 Assessable Weld Material	Mark sign visible to the assessment			
Weld Materials	1.3 Weld Material Signs	Install assessment sign for assessment of materials			
Weld Materials	1.3 Assessable Weld Material Signs	Install markings			
Weld Materials	1.3 Weld Materials	Reposition sign with identification on post for clarity			
Assessment Signs	1.39 Weld Materials	Install the sign to the test steel with identification sign
